### Deposit Information

- In order to secure Priority rates for an entire group, a minimum of **5 deposits (\$250)** must be received in the office **on or before February 1st**. If the minimum \$250 deposit is not received in the GO TELL OFFICE (NOT postmarked) by these dates, additional students will be registered at the Standard registration rate. Deposits are non-refundable and may be applied toward other camp costs should a group bring less than 5 campers.
- As long as GO TELL receives the minimum deposit of \$250 before February 1<sup>st</sup>, you will secure the Priority rate for your entire group! You may then add people to your group (even in April, May, or June!) at the same rate, as long as space is available.
- **Please remember that spaces are held only as deposits are received!** One deposit of \$50 holds space for one person.

### Financial Worksheet:

A program fee is charged per group (see chart to the right) to offset the additional costs of providing multiple speakers and artists during each week of camp.

#### Program Fee

| 50+ Campers   | \$300 |

Please Note: *If a church or children's/student pastor has attended GO TELL Camp for three or more years, the program fee is waived for his/her group!*
